

Dear Member,

So far in 2021 we have seen a continuation of restrictions that have limited our ability to meet in person and cancelled the Home & Cottage Expo for the second consecutive year. We would like to extend a big thank you to all our new and longtime members that have supported us through the challenges of the last year and a half - your support has been greatly appreciated. Thankfully, this fall is looking a lot more promising for returning to in-person gatherings. Currently the executive has two events planned for 2021/2022 (dates TBA). First in line is the repainting of the GBHBTA bandstand in downtown Owen Sound and second is a tree planting ceremony in honour of our longtime members that have passed away. Additionally, Jeff Lockwood (Director of Membership) and the GBHBTA executive have started work on updating the membership requirements for 2021/2022 and this information will be available soon. Once again, thank you for your support, and hopefully we will see you at an event in 2021/22.

Sincerely,

Bryden Hamilton

President

The Grey Bruce Home Builders & Trades Association
